PARIS, April 12.—The tour of Colonel Roosevelt and his family is the leading topic of discussion in all parts of Europe. His reception in Rome was only the beginning of a long series of dinners, lectures and receptions that will be extended to him by the crowned heads of Europe. The program of Colonel Roosevelt calls for nine state dinners, to be given by as many rulers of Europe's leading countries. The czar will

with his hat and shoes, were all found together shortly after his escape. The story of Grace reached the police stamms changed every article of apparel before departing to his hiding place.

It is thought that the same people who provided him with civilian clothing have also hidden conough food and water in some secure place, where the escaped murderer can keep quiet for weeks to come.

The fact that no robberies of food and clothing have been reported to the police ra'her favors the theory that preparations were made on the outside for Grace's support during the time he was in hiding. The detectives are working along on that line had not being scared he at once tires are working along on that line and it is thought to be the most feasible one.
